He has its acres of young bearing trees, mostly apples, and, as a result of irrigation, he says that they will produce about 2000 bushels this season.

During the water carnival at Plainview this week quite a number of people viewed with interest Col. Smyth's irrigated truck farm, but especially his Bermuda onions and his acre of grapes. Some of the visitors claimed that they never saw better onions even in south Texas, and the grape wines are so heavily loaded that they are kept with difficulty on the wires vines are so heavily longed that they are kept with difficulty on the wires and trellises. Col. Smyth expects to sell between five and six thousand pounds from his acre of grapes. ELECRICAL TROUBLES FORT SUMNER HAS

BIG BASKET PICNIC Fort Sumner, N. M., July 2.—A large basket pionic was held in Fort Sumner, at which 500 people succeeded in thoroughly enjoying themselves. The Fort Sumner band, composed of 12 pieces, drove to the plenic grounds in a beautifully decorated "float" drawn by four thorses, playing patriotic selections, arriving on the grounds a quarter of 2, mile south of town at 11 celock in the morning. The festivities opened with an invocation by Rev. S. 2. Turner, at 1 speeches were made by Prof. Patrips, A. Faircloth, A. P. Anaya and J. E. Pardue.

speechis were made by Pref. Pho'lipe, A. Falreloth, A. P. Anaya and J. E. Pardue.

After the speeches lunen was spread under the shade trees on the banks of the Pecos river. Ameng the sports of the strength was a notly contested ball game between the Yeso team and the locals, in which the Yeso hoys came out victors. A very exciting 'garrison finish' horse race was the next thing on the program, which was followed by numerous foot races, a sack race, a fat men's race and a tennismatch. The women did their share toward making the sports a success by giving a wonderful exhibition of nail driving and plank sawing, in both of which contests, Mrs. R. T. Lewis proved superiority by taking the first prizes. Uncle Fred Williamson, an old pioneer and onetime Texas sheriff, entertained the picnickers by rendering some old fashioned "tunes" on the fiddle, as an accompaniment to numerous laughable songs of the old days. The Fort Sumner women had several booths at which they sold sandwiches, pie, cake, lemonate, fruit, ice cream, etc., for the benefit of the out of town picnickers, of which there were over a bundred.

Has Built Bridges The Fruit Crop Is Splendid. Buyers from a Distance on For Twenty Years

John Burk, of El Paso, Finds Marvelous Results in Use of "Plant Juice."

John Burk is known from El Paso to Houston as a bridge builder. He has lived in El Paso for twenty years and during that time he has been connected with the bridge building department of the Southern Pacific railroad. To the Diant Juice man at Kelly & Pallard's

with the bridge building department of the Southern Pacific railroad. To the Plant Juice man at Kelly & Pollard's Mr. Burk talked as follows:

"I am back here after another bottle of Plant Juice. I have been a sufferer for years with stomach and kidney trouble. My work is hard on brain, muscle and nerves. For the past two years have lost a great deal of time an account of my health. Stomach would bloat after meals and what little I could eat would do me no good. Kidneys so bad I had to get up nearly every hour of the night. Then my liver got sluggish and I was constipated. I bought a bottle of Plant Juice on trial. They told me I could try it and if it did not help I could get my money back. I have taken it ten days. I did not have to get up hardly any at night. I sleep well and my stomach feels better than it has for years. Does not bloat any well and my stomach less better than
it has for years. Does not bloat any
more and appetite is good. I can digest what I cat. Plant Juice is building me up. Any man who has to work
for a living will understand how I feel,
after trying so many things that failed
to find one that is doing all they recomment for it."

to find one that is doing all they recommend for it."

Plant Julee cures cases like the foregoing because it is the best aric acid solvent known today. Uric poison from weak kidneys does not kill instantly, but it tears down nerve structure and nerve forces; takes away vitality and weakens the whole system. Plant Julee represents the greatest comblimition of extracts, julees and essences that men of science have been able to take from the medicinal plants of the earth. It is the most marvelous reconstructive and tonle product of the age. It is an absolute specific for all stomach, liver, kidney and blood aliments. It will put new life into you. Call on the Plant Juace man today at Kelly & Pollard's drug store.
